

## SURVEY

# A winning celeb smile

HOLLYWOOD star Matthew McConaughey was yesterday named the Celebrity Dad with the Brightest Smile.

The 40-year-old topped the poll by Dublin dental practice The Seapoint Clinic in Blackrock with 32% of the vote.

He came ahead of Tom Cruise who got 26% and Brad Pitt on 17% of votes.

The Facebook survey coincided with the launch of The Seapoint Clinic's Father's Day promotion, which suggests that Irish dads would appreciate a "smile makeover" much more than a pair of socks or hankies.
